

Name of the Capacity Building Programme: Cyber Safety and Security- One Day

Date: 31st August, 2024

Venue: RMB DAV Centenary Public School, Musapur Road, Nawanshahr (SBS Nagar)

Brief Report

One day CBSE Capacity Building Programme on Cyber Safety and Security' was organised in RMB DAV Centenary Public School, Nawanshahr on 31th August, 2024 under the aegis of the CBSE Centre of Excellence, Chandigarh.

The workshop was conducted by Mr. Amit Kumar PGT, Cambridge Innovative School, Jalandhar and Mr. Amandeep Singh, PGT, Kamla Nehru School, Phagwara. Around 41 Participants of different schools of the district SBS Nagar attended the CBP.

The workshop commenced with the auspicious lighting of the lamp seeking the blessings of the Almighty following which the Principal, Sh. R. K. Verma, welcomed the resource persons.

The aim of this workshop was to equip educators with the knowledge and skills to educate students about cyber safety and security, promote digital literacy, and foster a culture of responsible technology use. The workshop also sought to provide a platform for educators to share best practices and collaborate on strategies to address cyber-related issues in their schools

The workshop was divided into two sessions wherein the resource persons emphasized cyber ethics, cyber security, cyber harassment, cyber awareness and different types of malware during the workshop. They also explained about bank fraud- its causes, cyber crime, computer Forensics and IT act.

The participants enthusiastically embraced the workshop's activities and discussions.

The vibrant exchange of ideas and experiences among educators from different schools added depth to the workshop's proceedings. The workshop was an enriching experience for all attendees.
